JOURNEY

- 2019 First Client, First Logo**
Freelance design work begins in Jazan — hand-built brand marks and print materials for local cafés and boutiques.
- 2020 Packaging & Print**
Practice narrows toward full brand systems — packaging, stationery, and structural print for F&B and fashion clients.
- 2021 Beyond the Logo**
Brand identity work expands into social media campaigns and content systems.
- 2022 15 Brands and Counting**
Partner roster grows past a dozen active brands across coffee, fashion, wellness, and hospitality.
- 2024 Strategy Enters the Room**
Practice folds in marketing strategy — briefs start with positioning, not just visuals.
- 2025 AI Into the Workflow**
AI-assisted tools adopted across ideation, content, and production.
- 2026 Creative Direction, End to End**
Leading full creative direction across identity, content, and strategy for every brand partner.
